

The Zambezi Sun

Overview

David Livingstone explored this land of potent beauty and discovered one of the seven natural wonders of the world. In his footprints, only moments away from the mighty Zambezi River with the dramatic torrent of the Victoria Falls as its natural milieu, a magnificent Resort has been created as a testament to his discovery and in reverence to the splendor of this World Heritage site. Journey to this magical place and witness the greatest mass of falling water on earth as it plunges down a sheer rock face, spraying its mystical mist hundreds of meters in the air. The awesome Victoria Falls is much closer to you here - literally on the doorstep of The Falls Resort - it feels as if you could reach out and touch it, as it plummets into the chasm far below. The Zambezi Sun, features adobe-style architecture. Simple finishes highlight bright mosaics and fabrics and the intoxicating environment is characterized by ethnic wall stencils, timber and plaster ceilings, Zambian artworks and accessories. It is constructed in a series of eight buildings, consisting of the guest rooms, a central pavilion of restaurants and a fabulous convention center. The Zambezi Sun is a 212-room hotel appealing primarily to families, adventurers and conference delegates. The guest rooms acknowledge their African roots in the deep rich red earth colour of the rounded planes of its walls. In the early evening the dark outline of the hotel is set against iridescent curls of smoky vapor that dance above its roofline. The poolside beckons and the service is superior. There are a variety of poolside activities at the Zambezi Sun that encourage guests to venture towards its azure blue depths. The huge free-form pool meanders round a pavilion restaurant and an outdoor bandstand and dance floor. An established group entertains guests with soft jazz blues and impromptu pop music. The pool deck is also the scene of more formal occasions such as cocktail receptions and alfresco dining. Enjoy the peace and tranquility of the mighty Zambezi River while having a luxurious outdoor body massage or sit back and enjoy the healing power of a magnificent foot massage while relaxing next to the swimming pool. Try any of our internationally renowned hair and beauty services: paraffin wax manicures and pedicures, personalized facials, hair removal, hair care for ladies and gents.
