

Vumbura Plains Camp

Overview

The main activity at Vumbura Plains is game viewing in diverse and scenic countryside. Open 4x4 Land Rovers and walks enable game viewing in the savannah and woodland areas. The Vumbura area is possibly the only area in the Okavango where one can see Red Lechwe (an animal that inhabits the fringes of the waterways) and a Sable antelope (an animal that enjoys the dry countryside) on the same game drive. Add in Lion, Leopard, Elephant, cheetah and Buffalo along with all the plains animals and one has an excellent all round wildlife experience in a remote and private part of the Okavango. Birding too is great with large varieties and quantities. Walks, mokoros and boating give Vumbura Plains' guests the opportunity to enjoy Africa from a different perspective. The main dining, lounge and pub areas are also raised off the ground and are tucked beneath a canopy of cool, shady, indigenous trees with a wonderful vista across the floodplains.

Room Information

Vumbura Plains overlooks a vast and attractive floodplain with its rooms built under the shade of cool and shady trees.
