

Jao Camp

Overview

Jao Camp is situated in a private reserve on a remote large island, to the west of the Moremi Game Reserve in the heart of the Okavango Delta. Across the waterway in front of camp, guests have access to open flood plains and savannah for a wonderful Okavango experience. There is a plunge pool and an outdoor “boma” for dining under the stars as well as an excellent wine cellar. Jao also has a Salon where the full time therapist offers a wide range of massage therapies. The activities at Jao include mokoros (dug-out canoes), boats, fishing, day and night game drives and guided walks. The area is extremely seasonal and the annual flood transforms the habitat from dry green open plains in summer to shallow flood plains in the winter. Access to this area is only by aircraft.
