

## Flamingo Bay

### Overview

The warm Indian Ocean offers safe bathing all year round and the endless wide open beaches offer hours of strolling pleasure. The main building and chalets are connected by wooden walkways where golf carts are available to ferry guests. The main building is fronted by the tidal waters of the bay. An elegant restaurant overlooks the inviting swimming pool which merges into the view across the bay. Enjoy cocktails on the spacious pool deck while watching the sunset or enjoy your meals in the morning or evening either indoors or outdoors. The gourmet restaurant offers sumptuous meals specialising in local dishes of Mozambique including fresh prawns, fish, crabs and calamari which are all caught locally. The well stocked bar is a gathering point attracting guests to share their days experiences and enjoy the magical sunsets. An upstairs area enhances the view as the day draws to a close.
