

Mkuze Falls

Overview

The Mkuze Falls Lodge is located along the northern bank of the Mkuze River, in the heart of Kwa Zulu Natal. Starlit evenings are enjoyed in the boma and the sounds of the Zulu drumbeat beckon the pure spirit of Africa. The evening air is broken by the call of the Night Jar, the sounds of Zebra in the distance, the unexpected roar of the Lion and the trumpet of the Elephant. The pure sounds of Africa at her best!

Room Information

Overlooking the Mkuze Waterfall, the lodge features nine luxuriously appointed Thatched Chalets and one Safari Suite, accommodating eighteen guests in utmost comfort and style. All these rooms have a breathtaking view of the river, bush and mountains. Private plunge-pools and an outside shower provide a wild but intimate touch alongside the gratifying luxury of the air-conditioned bedroom. The Mkuze Falls Tented Lodge is for an adventurous experience in five "Hemingway" style East African Tents, each overlooking the Mkuze River. The tents are built on wooden decks raised on stilts with beautiful views of the lush countryside.
