

## Portswood Hotel

### Overview

Once Cape Town's biggest prison, this national monument building has been well converted into one of Cape Town's best hotel's. The hotel has a small attractive tropical garden with a swimming pool which has a stylish water feature at one end. There is a cocktail bar which offers guests drinks both inside the hotel and at the poolside terrace. A gym, steam room and sauna is available to guests, as is on-site parking. With its Nautical theme the lobby is a bright area with large glass doors leading through to a pleasant reception with polished wooden floors and a seating area for guests. High ceilings give the lobby a nice sense of space, the reception has an elevated walkway similar to a ship's deck overlooking the central water and floral feature.

### Room Information

The rooms are relatively small but are all of a very high standard. All are carpeted, have traditional dark wood furniture, a table and chairs for guests and low lighting giving the rooms a calm and cosy feel.
