

## Shark Cage Diving

### Overview

Join us on our trips and see the Great White Shark up close, in our floating shark cage.

### Itinerary

Between the islands of Geyser Rock and Dyer Island is a narrow and shallow channel called Shark Alley – reputed to be the world’s best place for Great White shark cage diving. Due to the resident seal colonies in the area, Shark Alley has been dubbed “the supermarket for sharks”. A short boat ride from Gansbaai, Shark Alley is ideal for those who wish to experience the thrill of getting up close and personal with these giant predators, but who do not possess a dive certification. Your cage dive takes place just meters below the surface of the water so no diving experience is necessary. Weather & sea conditions permitting

Collection: +/- 06h00 depending on conditions

Duration: 8-10 hours depending on shark activity
