

## Durban City

### Overview

Durban is a cosmopolitan city. Enchanted Pleasure-Palace - Africa's bewitching seaside playground in the sun, Durban has from its earliest days possessed a special charm. Durban is the playground of the Zulu Kingdom.

### Itinerary

Our tour begins as we travel along the Golden Mile, the revitalised beachfront promenade which hugs the beckoning beaches of Durban, viewing the upgraded Point Waterfront. We travel through the City, viewing the majestic City Hall, and enjoying its humorous history! We continue to the small craft harbour viewing the 8th largest harbour in the world. Drive past the sugar terminals and very busy harbour warehouses on our way to the University of Natal – Durban Campus where we view lovely sights of the harbour below. Then we visit the bustling African/Indian Markets at Warwick Triangle – home to 9 distinct markets developed around Durban's largest public transport interchange and where approximately 6000 street vendors ply their trade, to an average of 460 000 daily commuters – an authentic experience. From culture to nature, we visit the peaceful Durban Botanic Gardens founded in 1849, a treasure trove of massive trees from Asia, Africa and America, and a magnificent orchid house. We then conclude with a visit to an icon of Kwazulu Natal, the Moses Mabhida Stadium where you will have the option of experiencing the cable car ride (for own account) to the top of the Stadium for that phenomenal view of Durban and its surroundings.
