

Baines' Camp

Overview

Set in a grove of trees, and surrounded by papyrus beds, Sanctuary Baines' Camp is built on raised platforms high above the Boro River in a private concession bordering the Moremi Game Reserve. We encouraged the local community in Maun to collect cans, with a fee paid for every can, which were recycled to form the backbone of the camp's structures. Baines' is also one of only two camps to offer you the opportunity to walk with elephants. Why sanctuary baines' camp Offers unique Living with Elephants activity- Romantic sky beds and star baths on your private deck- Located on a private concession which means we can offer walking and night drives- Seasonal Mokoro excursions and motorised boating available- Eco-friendly camp built from cans

Room Information

This is Sanctuary's smallest and most intimate camp, with only five luxurious suites. The five suites at Sanctuary Baines' are opulent and luxurious, with ensuite facilities and four-poster beds. Traditional safari ceiling fans create a cooling breeze at even the hottest times of the year. Should you wish, your bed can be wheeled out onto the private wooden deck for a night under the stars, overlooking the shimmering waters of the Boro River where hippo can often be spotted. Or take an indulgent soak under the stars on your own private viewing deck in our opulent star bath. At Baines' Camp, the sky's the limit.
