

Chobe Chilwero

Overview

Sanctuary Chobe Chilwero is a luxurious riverside retreat in the heart of the bush on the edge of Chobe National Park, home to the world's largest remaining population of elephants. Sitting above the Chobe River, the lodge offers unparalleled panoramic views across the islands and floodplains as far across as Namibia. This is an incredibly luxurious lodge with just 15 guest cottages, as well as the only full spa on the Botswana safari circuit. Relax in the split-level swimming pool, unwind with a pampering session in the spa or enjoy the gourmet food that the lodge has become known for.

Room Information

Each of the 14 thatched guest cottages has two showers, one inside and one outside. The en-suite bathroom also has a large free-standing bath. After a day of game viewing, what better way to relax than in your own private garden with a cocktail? Or if the fancy takes you, why not have your gourmet dinner served right here under the African sky. Coffee stations are now available for guest use in the rooms. Our new honeymoon suite at Sanctuary Chobe Chilwero features a private plunge pool and deck area where guests will be able to enjoy private dinners for two under the stars (weather permitting) and special turn downs every night. Guests booking this room will automatically receive a private vehicle and guide for all game viewing activities. Coffee stations are now available for guest use in the rooms.
