

Kings Pool

Overview

The area has a large wildlife resource with a wide variety of species, but it is most noted for its very large Elephant populations, which during our winter months can reach enormous densities. There are good populations of Impala, Lechwe, Kudu, Zebra, Giraffe, Sable, Waterbuck, Buffalo and the smaller plains antelope. The major predators such as Lion, Leopard, Cheetah, Wild Dog and Hyena are regularly sighted. The reed and papyrus swamps are ideal for numerous and diverse species of birds and are a magnet for game in the dry winter months. The main lounge, pub, curio shop and dining area are under thatch and there is a swimming pool built into the deck. The main area is linked to the bedrooms by a raised walkway. Activities include game drives in open 4x4 Land Rovers, night drives and guided walks.

Room Information

Accommodation is in nine luxurious twin bedded tented rooms under cool thatch overlooking the Hippo filled lagoon in front of the camp. Each of the bedrooms has its own large bedroom area, lounge, private plunge pool and sala. Each en-suite bathroom has a double shower, double hand basin vanity area and a separate flush toilet. There is also an outdoor shower for those who prefer to be closer to Africa.
