

Woodall Country House and Spa

Overview

Woodall Country House and Spa was developed from the original farmhouse built in the early 1900's and the charming ambience and character of yesteryear still permeate the atmosphere. Old world attention to detail blends seamlessly with contemporary African luxury and style as reflected in the raw, earthy magnificence of the architecture. This exclusive hideaway is renowned for its gourmet cuisine, which is inspired by the flavours of local ingredients and freshly picked produce from the herb and vegetable gardens. Karoo venison, East Coast fish, home-made stocks, freshly baked bread and local cheeses all form part of the irresistible menu on offer. Complementing the menu is the award winning cellar, boasting a unique and comprehensive collection of fine South African wines, personally selected by the owner. The Spa, a sanctuary for utter relaxation, rejuvenation and indulgence flows onto a salt water pool, fringed with palms and a waterfall. Local therapists with world class skills offer a comprehensive range of massage, health and beauty treatments, and every detail is dedicated to 5 star luxury and comfort. Other hotel facilities include a saltwater pool, indoor and outdoor lounges, TV lounge, library, home theatre, CD and DVD library, curio cabinet, internet and fax facilities.
