

Chobe Savanna Lodge

Overview

Situated in the Eastern Caprivi of Namibia, on a peninsula on the northern bank of the Chobe River, Chobe Savanna Lodge overlooks the vast floodplains of the Chobe National Park's Puku Flats. The lodge offers guests a hideaway for those looking for an exclusive Chobe River experience. Chobe Savanna Lodge is relaxed and informal, set in a classic African Savanna environment with sweeping vistas surrounding the lodge. The focal point of the lodge is a thatched open sided main building which features a 270 degree view over the Chobe River and beyond to the Chobe National Park. Facilities include a swimming pool and an open boma area on the banks of the Chobe River. Chobe Savanna Lodge accommodates only 24 guests in elegantly furnished air-conditioned thatched chalets, all with private decks, a combined bedroom / lounge area and en-suite facilities and complimentary mini bars. Guests have a choice of boat excursions in small maneuverable boats, ideal for close up encounters with wildlife along the rivers edge, fishing (catch & release) for bream or tigerfish, and cultural village visits to one of the surrounding local communities, where guests can observe the deep-rooted traditional life styles of the local people.
