

## Walkersons Country Manor

### Overview

Walkersons Hotel, an elegant and romantic hotel situated on the most prestigious estate in the Eastern Highlands in Dullstroom. Walkersons offers a relaxing experience of nature and tranquillity in beautiful surroundings. It is the finest boutique hotel in Dullstroom, offering guests warm hospitality and fine experiences that will always be remembered. Our wellness centre has three treatment rooms, a Hydrotherapy Jacuzzi and a Gym. Our trained therapists will ease away the stress and aches of everyday life as you relax tired muscle and revive your flagging spirit. A mountain reserve will delight the eye with wonderful mountain views and the sight of indigenous fauna such as Bontebok, Black Wildebeest, Red Hartebeest, Springbok and more. Alien vegetation has been cut away and countryside of natural flora now abounds with wonderful birdlife. The mountain trail covers a distance of 1780 meters and is a healthy, yet not overly strenuous hike. Our spa therapists specialize in a range of treatments including the technique of Ka Huna massage which originated from the medicine people of ancient Hawaii - gentle, flowing and rhythmical deeply healing bodywork that will reawaken your body, mind and soul. For horse-riders, the equestrian centre provides stables, paddocks and groomsmen. Outrides can be arranged and usually last an hour and even though our guides will accompany you, we recommend only experienced riders engage with this past-time. As is standard practice for all establishments who offer such facilities, all riders are required to sign an indemnity form as guests can only engage in these activities at their own risk.
