

Fugitives Drift Lodge

Overview

The Lodge, near Rorke's Drift, is situated on the site of the original Rattray homestead where David's parents came for their holidays and here the seeds of this unique operation took root in those early years. The Lodge is the original establishment, built by David and Nicky Rattray in 1989 and houses the majority of the memorabilia in the central lounge and dining room area. The Guest House was once the home of Mr and Mrs Potgieter who were immortalised in Gillian Rattray's award winning book "The Springing of the Year". This old farmhouse has been altered and is now the most charming sitting and dining room. The original verandas have been retained and the outside eating area has a stunning view across a plain with Isandlwana in the distance.
