

Villa Margherita Guest House

Overview

Keeping in mind that the word "Guesthouse" means "house of the Guests" we preferred to renounce to less bedrooms in favor of more relaxing, spacious & private accommodation where dedicated service gives us the opportunity to spoil our guests and let them feel part of our history; the history of Swakopmund and South West Africa. We believe that through our in-house restaurant Il Tulipano a perfect love match with the Villa has been achieved.

Room Information

We offer 7 double rooms of which 1 can be converted into a family unit with two bedrooms & lounge area & an additional Tour Guide room. All the bedrooms have en-suite bathrooms, most of them a private lounge area, flat TV, safe, hairdryer & wireless internet connection (internet point available free of charge in the lounge bar). Only one bedroom offers two single beds all other bedrooms have either king or queen size beds.
