

## Gold Reef City

### Overview

Come and experience Africa's greatest Entertainment Theme Park created around an authentic 19th Century Gold Mine. Gold Reef City Theme park has an abundance of adventures rides, restaurants, history, site seeing and tours for you to enjoy!

### Itinerary

This magical trip down memory lane will tell you all about how Johannesburg came into being, how gold was discovered on the reef and how the lives of men and women formed an integral part of a rich and fascinating heritage.

Visit Gold Reef City, named after the richness upon which the city of Johannesburg was built, and embark on historical tour, the 'Jozi Story of Gold'. This tour includes an opportunity to pan for gold and watch a gold pour. Stroll through the theme park reflecting the life of the mining town at the turn of the last century. There is plenty to do for young and old but remember to wear comfortable walking shoes.

NOTICE: The tour into the mine shaft will be halted temporarily from 14 October 2013. The museum will be moved from level 5, to level 2. We are therefore not able to include the Mine Tour as part of the Gold Reef City experience until further notice.
