

## 2-Night Rovos Rail Cape Town / Pretoria

### Overview

The most luxurious train in the world. The trains - which may be hauled by diesel or electric locomotives at various stages of the journey - carry a maximum of 72 passengers in 36 superbly appointed suites. Pride of place in the Rovos stable goes to the historic and restored Capital Park Station and locomotive yard, which is the heart and headquarters of this private railway company.

### Itinerary

Travel the windswept grasslands of the gold rich Highveld to the haunting barrenness of the Great Karoo, the spectacular mountain ranges and scenic wine lands of the Cape to the Mother City of South Africa, Cape Town, cradled by the imposing bulk of Table Mountain, Devils' Peak and Lions Head.

Highlights of the north and southbound routes include a visit to the historic village of Matjiesfontein. This authentic, perfectly preserved Victorian Village, which was founded by Mr. Logan as a refreshment stop in 1890, also boasts an impressive museum on the Station platform. A stop is also made in Kimberley with an opportunity to enjoy a city tour, the Mine Museum and visit the world's largest man-made excavation, the 'Big Hole'.
